

### THE GIGGING-4-LIVING PROJECT

Gigging-4-Living is working to support performing artists – musicians, dancers, and actors – to develop their business skills so that they can build successful and sustainable careers in the creative sector – making use of the multitude of digital platforms that can support their career in a post-pandemic economy.

**IO1** Opportunities for performing artists living in a pandemic

**IO2** Building resilience within the performing art sector during a pandemic

**IO3** MOOC & Community of Practice

Our EduZines and Interactive Infographics developed for the IO1 and IO2 are now complete! And will be soon available online in 7 languages: Czech, Danish, English, German, Greek, Portuguese and Spanish. These resources contain explainer videos, a digital breakouts, Webquest and quizzes and will be easily accessible online and through QR codes on posters.

### NEXT STEPS...

Gigging-4-Living is working to support performing artists – musicians, dancers, and actors – to develop their business skills so that they can build successful and sustainable careers in the creative sector – making use of the multitude of digital platforms that can support their career in a post-pandemic economy.
